

## ALPINE WHITE 2023

2022 VINTAGE, 100% ESTATE GROWN,  
LIVERMORE VALLEY, CALIFORNIA

The Kent family's winemaking history in America dates even further back than the start of their original Alpine Winery (bond #62!) in 1875. Our Alpine wines are fruit forward, light and playful, just like great-great-great-great grandpa used to make.

100% of the grapes were estate grown. The Kent family's gentle attention to detail in the vineyard is matched by Julian Halasz's masterful winemaking.

### TASTING NOTE

2023 features Sauvignon Blanc, Albariño, and Grüner Veltliner, and a captivating aromatic play of pomelo, peach blossom, and pink guava. Winemaker Julian Halasz notes that "the mouthfeel is rich with fruit, almost oily and viscous," and the wine's fruit character is perfectly balanced with its acidity, leading to a long beeswax finish.
