The name “Clone 337” is full of mystery. What exactly do those numbers mean? To vintners, 337 foretells an early ripening Cabernet Sauvignon, ideal for cooler sites. 337 is often the first Cabernet Sauvignon block we harvest, creating an “Old World” Cabernet Sauvignon that is lighter on its feet, and perfect for the spring. This block also contains our estate’s oldest vines.

100% of the grapes were estate grown. The Kent family's gentle attention to detail in the vineyard is matched by Julian Halasz's masterful winemaking.

TASTING NOTE

Blackberry and blueberry cobbler interweave with a savory quality that suggests Iberico ham and paprika. The pyrazine character is intense, manifesting as ancho chile or earthy chipotle. This spice character melds with subtle oak, black plum, vanilla bean and nutmeg. A spicy twist on a European style Cab!
