TRISKA VINEYARD, LIVERMORE VALLEY

CALIFORNIA SAUVIGNON  
SUMMIT 2025

CRISTALDI & CO

This Sauvignon Blanc comes from the Kent family's north-facing Triska Vineyard, the coolest site in Crane Ridge which experiences constant breezes and a thick blanket of coastal fog each morning.

This true-to-terroir wine reflects both the Kent family's gentle attention to detail in the vineyard and Julian Halasz's masterful winemaking. Estate-grown, produced and bottled!

## TASTING NOTE

Get ready to be swept away once again! This 2024 vintage reveals an aromatic intensity that is equal parts citrus and floral. Honeysuckle and orange blossom are interlaid with notes of key lime pie, lime candy and grapefruit. The wine's vibrant acidity plays into flavors of lemon-lime, green mango, and a hint of jalapeño. This hallmark note of jalapeño comes from the coveted heritage "Musqué" clone of Sauvignon Blanc, which we plant exclusively in our vineyards. Refreshing all the way through, the 2024's viscous mouthfeel leads into a long grassy finish.
